

Transform your office experience with Flexwhere

Efficient Workspaces, Seamless Collaboration, and Real-Time Insights

At Flexwhere, we believe in creating smarter, more efficient workspaces that boost productivity, enhance collaboration, and provide real-time insights. Our innovative platform helps organisations optimise their office environments, making it easier for employees to find the right workspace, connect with colleagues, and make the most of their time in the office.

Why Flexwhere

Boost Productivity

Quick and easy booking for desks, meeting rooms and parking spots.

Enhance Collaboration

Effortlessly locate and connect with colleagues.

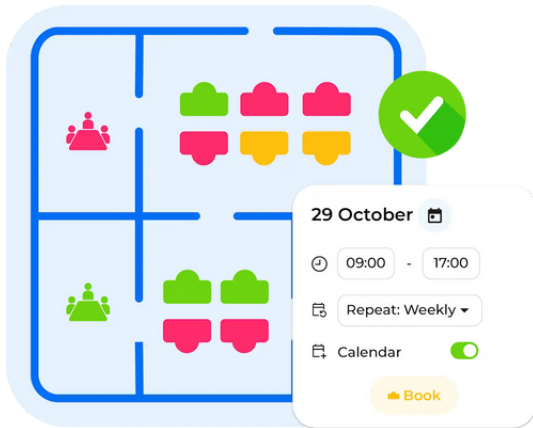

Optimise your Space

Use real time analytics and heat maps to make informed decisions.

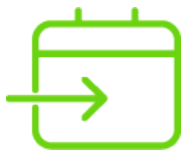

Easy workplace booking

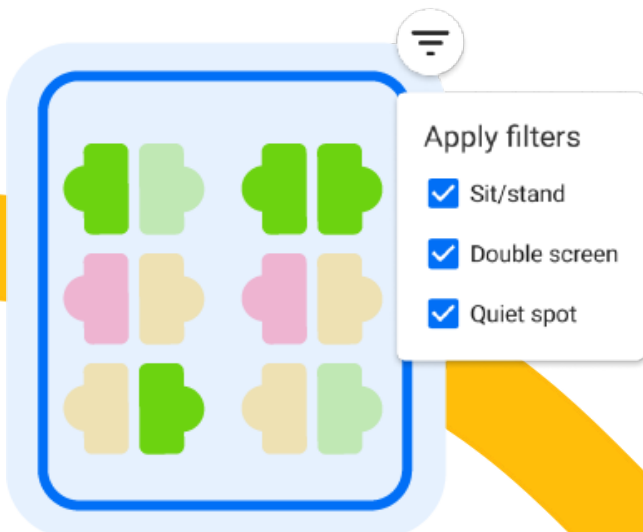

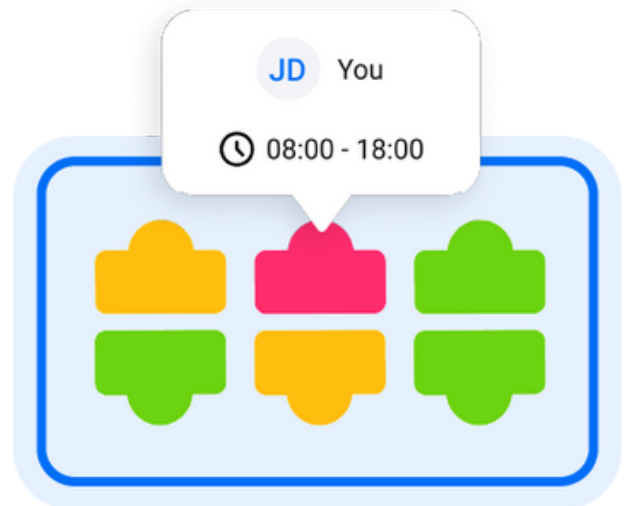

Quick Reservations

Book your desk, meeting room, parking spot or pool car with just a few clicks via our desktop app or web app.

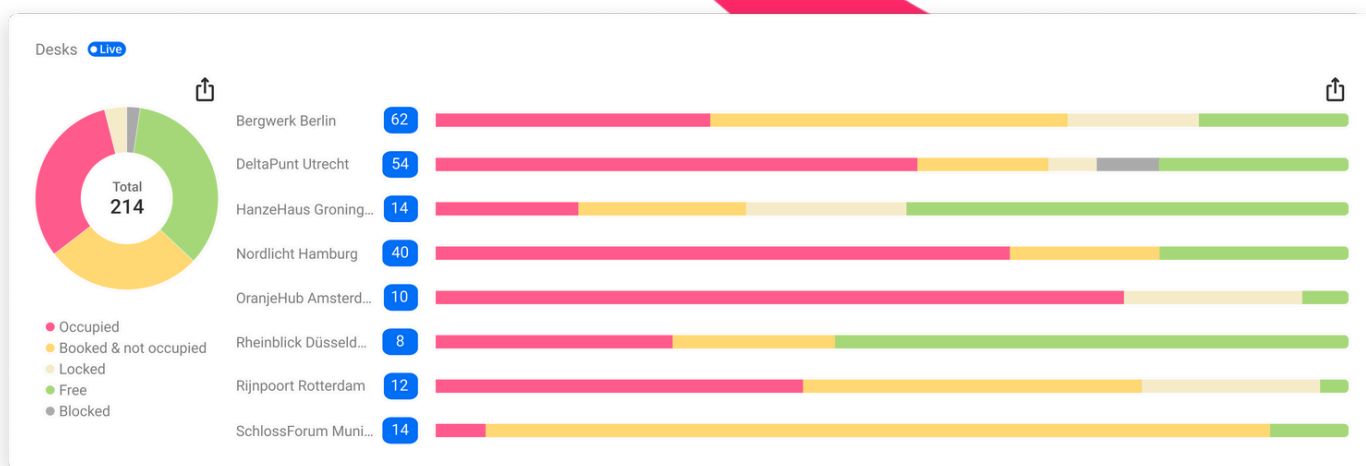

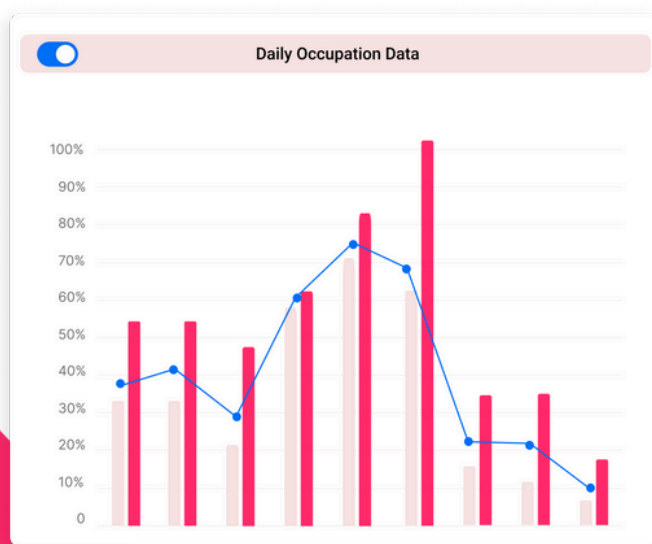

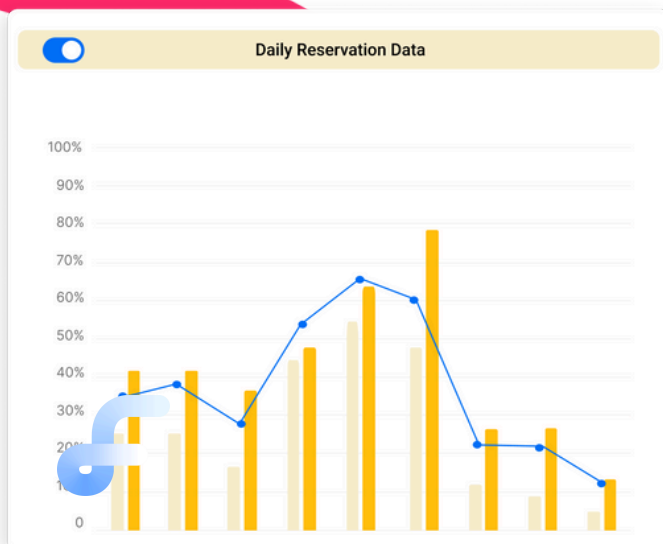

Automatic check-in

Your status seamlessly updates to “At Your Desk” when you connect to the office Wi-Fi or docking station

Flexible Options

Need a double screen or a sit/stand desk? With Flexwhere you can choose the workspace that best suits your needs.

Customer success stories

“ FlexWhere is one of the most important applications we use every day. ”

Richard Shoo
System Manager, Gemeente Vlaardingen

Gemeente Vlaardingen

“ The system is very intuitive, and employees quickly find their way around the app. We have experienced improved communication and teamwork through the use of Flexwhere. ”

STF | Gruppe

IT Manager, STF Gruppe

“ The ease and convenience of use is a major benefit for us. Whether it's displaying occupancy or reserving desks, Flexwhere excels. The various automation options are also a significant advantage, allowing us to analyse occupancy even without reservations. ”

Kevin Soyer
IT Administrator, PROCON IT
